			Don't forget to come back to the clinic for your 2-day review	
			tomorrow. Your MC provider will check that your healing is ok	
3	1	12:00	and the bandage will be removed.	156
			This is your MC provider. See you at the clinic today for your	
			TWO-DAY review. Some pain is normal now, but call 990 (toll	
4	2	7:00	free) if you have heavy bleeding.	158
			This is your MC provider. It is normal to feel a bit of pain and	
			swelling, but this should go away soon. Pass urine if you have	
5	3	12:00	painful erections.	147
			This is your MC provider. Be sure to call or come back to the	
			clinic anytime if you have a concern. Page the mobile number	
6	4	12:00	you were given, or call 990 (free).	160
			This is your MC provider. When you come for your SEVEN-DAY	
			review, please bring a few friends with you. They will be happy	
7	5	12:00	that you referred them for MC.	154
			This is your MC Provider. Don't forget to come back for your 7-	
			day review tomorrow. It's a great time to learn about how to	
8	6	12:00	stay safe now that you've had MC.	157
			Good things come to those who wait. Remember, no sex or	
			masturbation for six weeks after MC. Talk to your partner and	
9	13	12:00	make sure you have her full support.	155
			Patience is a bitter plant, but it has sweet fruit. Remember, you	
			may feel fully healed even though you're not! No sex or	
10	20	12:00	masturbation for three more weeks.	159
			This is your MC Provider. Abstaining from sex and	
			masturbation ensures that you will heal properly. Talk to a	
11	27	12:00	counselor if you have any questions at 990 (free).	160
			This is your MC Provider. Six weeks may seem like a long time,	
			but it is actually less than 1% of your entire life! No sex or	
12	34	12:00	masturbation for 8 more days.	156
			This is your MC provider. Today you may be fully healed!	
			Abstain, condomize and stick to one faithful partner!	
13	41	12:00	Remember, MC does not provide 100% protection.	158
			The fight against HIV is not finished! If you start having sex	
			again after MC, it is vital to protect yourself and your partner	
14	48	12:00	by using condoms every time.	158
			This is your MC Provider. Now is a good time to think about	
			getting tested again for HIV. Remember that MC does not	
15	55	12:00	provide 100% protection from HIV and STIs.	160
